### Preamble

The accredited 3T-IBHSc training course has been designed to introduce medical, dental and health science teaching faculty of Universities and Colleges for teaching the modern vertically integrated bioethics curriculum based on the core-curriculum, which reflects the 15 principles enshrined in the UNESCO's Universal Declaration on Bioethics and Human Rights (2005). The curriculum spans over the entire training of the under graduate and post graduate courses and all teaching faculty will teach bioethics with additional training and credentialing. The course and methodology were developed by experts under the Department of Education of the UNESCO Chair in Bioethics Haifa. The 3T-IHSc program is built to Train, Teach and Transfer (Bioethics and Human Rights knowledge) Integrated Bioethics in the Health Sciences.

### About the Organizers

The D. Y. Patil Education Society (Institution Deemed to be University) established the Kolhapur-India unit of the UNESCO chair in Bioethics on October 2016. The vision of D. Y. Patil Education Society, Kolhapur is to promote & strengthen, amongst professionals, the application & knowledge of ethics in the spheres of academics, research, clinical practice and community service.

### Aim:

The aim of the Unit is to sensitize and educate health professionals about the importance of bioethics in day to day clinical practice and research.

Amongst the objectives of the UNESCO Bioethics Unit are to upgrade emphasis on bioethics in existing curricula in medical and allied health sciences & train existing and potential teachers for teaching bioethics through workshops, seminars and lectures.
