PREAMBLE

Warm greetings from the Organizing Committee-Department of Pathology, D.Y. Patil Medical college, Kolhapur and Association of Practicing Pathologist of India (APPI). Pathology is the driving force in the multidisciplinary teams of patient care. Our mission is the well being of the patient and our activities carry a special charm due to the wonderful diversities of Pathology sub-specialities.

In view of highlighting the recent updates in Clinical Pathology and Hematology, we have organised this conference and invite you all for the same.

THEME

Clinical pathology and Hematology covers a wide range of laboratory functions and is concerned with the diagnosis, treatment and prevention of disease. Clinical Pathology and Hematology also involves maintenance of information systems, research and quality control. This scientific meeting will provide a platform to the practitioners and researchers to share their knowledge. We hope this scientific event will evoke interest in delegates, towards acquiring updated knowledge, to implement in their practice for better approach and management in patient care.

We the Organising Committee look forward for your attendance & participation.

Hoping you make the best out of this Scientific Programme.
