PREAMBLE

*“Educating mind without educating heart is no education at all”
–Aristotle.*

Knowledge is a flow, a continuous growth, based on new experiences and new research. You only possess the inbuilt power and resources you need to achieve your highest goals. The most phenomenal engineer is within you. Reset your destiny to abundance, freedom, love, joy, wellbeing, and positive mind with synchronous heart through training of your mind and heart. Educating heart entails not to focus only on the development of cognitive aspects but also to transform you to a person of true character and a true human, reflecting harmony and integrity of mind and heart. This is what we are seeking by arranging this one day National conference cum workshop. The lectures and guidance of eminent speakers from Heartfulness Institute & D.Y.Patil Medical College, Kolhapur with small relevant and entertaining exercises will help you to imbibe harmony between your heart and mind through their synchronized working to seek in designing your destiny.

On behalf of **Microbiology Department** and **Heartfulness Institute**, we the members of Organizing Committee are looking forward for your active participation in this multidisciplinary **“National Conference on Designing Your Destiny (NCDYD) – 2019”** and experience a warm hospitality of our University.
