About IABS

In order to promote translational research, **Indian Academy of Biomedical Sciences (IABS)** was established with the vision, keen interest and efforts of various scientists from India and abroad. The main objective of the academy is to disseminate knowledge and academic excellence in the field of biomedical sciences. The academy is registered under Societies Act 1860 of Government of India (No. 2826-2011-2012). The IABS organizes CMEs, Workshops, Symposia throughout the year at different places and an Annual International Conference with the primary aim to foster collaboration between clinicians and scientists to promote biomedical research and innovations and academic excellence in the field of Biomedical Sciences.

IABS Awards

The academy has instituted various awards for promoting academic excellence. Nominations by Fellows/Members of the academy /Vice-Chancellors /Directors/ Deans/ Principals of the Academic Institutions/Universities and other eminent Scientists are invited for various awards for the year – 2019. The awards shall be presented at the 9th Annual conference of the academy to be held at Kolhapur. Please log on to www.iabs.in for more information and updates.

About Kolhapur (Maharashtra)

Kolhapur is one of the oldest civilizations of the country. Situated on the banks of River Panchganga, Kolhapur is called as DAKSHIN KASHI. It is located in western Maharashtra and easily accessible via Road, Railway and also by Air. The city has many historical monuments and sites to visit. Kolhapur is known as place of pilgrimage, also famous for its Shree Mahalaxmi Temple, and has several places of tourist interest such as hill station and historical fort Panhala, Jyotiba temple, beautiful museums, palaces, Rankala lake, few other forts, Bison sanctuary etc. located nearby. The city has a pleasant climate and enjoys marvelous greenery. Kolhapur provides some or the other attraction for everyone. Kolhapur can be called as shoppers' delight. The city is famous for its Kolhapuri saaj (special types of gold ornaments), Kolhapuri chappals, Kolhapuri sarees and typical hot Kolhapuri cuisines with delicious veg and non-veg food.

Kolhapur is the entry point for beautiful konkan region with multitude of attractive sea shores. State of Goa, a tiny emerald land on the west coast of India – rightly called paradise on earth – is not far from Kolhapur. Goa is a kaleidoscope blend of Indian and Portuguese cultures, sweetened with sun, sea, sand, seafood and spirituality.

There are many nearby places of tourist attraction like hill stations Amboli, Panchgani, Mahabaleshwar etc. Many dams, historical forts are easily accessible by road from Kolhapur.

How to Reach Kolhapur?

Kolhapur is easily accessible by Road, Railway and by Air. It is located on National Highway No.48. Kolhapur airport is 8 kms from the conference venue. Other nearby airports are Belgaum, Hubli, Pune, Mumbai, & Goa.

Accomodation

The venue of the conference is a five star hotel 2 km from Central Bus stand, 2.5 km from Railway station and approx. 8 km from Kolhapur airport. There are many luxury as well as budget hotels at a distance of less than 1 km from conference venue. Details of these hotels will be uploaded soon on the websites www.iabs.in , www.dypatilunikop.org , www.dypatilmedicalkop.org
